REMARKS

Claims 1-25 are in the case.

Claim 15 was amended to better claim the invention.

Examiner Nguyen suggested in the telephone call that amendment to Claim 15 was necessary to put the case in condition for allowance.

In a second telephone conversation on November 22, 2004, Examiner Nguyen suggested that the "whereby" clause should be added to claim 15.

Amendment of Claim 15 is believed to place Claim 15 in condition for allowance.

All independent claims are believed to be in condition for allowance.

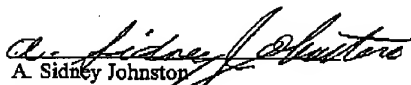

All dependent claims are believed to be dependent from allowable independent claims, and therefore in condition for allowance.

Favorable action is respectfully solicited.
